

GLOBAL DANCE OPEN VIRTUAL PARTICIPATION

Global Dance Open believes in providing equal opportunities for dancers across the world. As we grow, we hope to be able to visit more of you in your home countries, but until that is possible, our virtual qualification Semi-finals continue in regions we are not yet able to reach. All competitors that qualify via virtual semi-finals have the opportunity to compete live at our finals, which in 2023 will be held in the historic city of Ávila, Spain, very close to Madrid.

While virtual participation may not be your first choice, we believe Global Dance Open has so much to offer all dancers, across the various age divisions and styles. We look forward to welcoming you into the GDO Family.
